NATIONAL DAIRY & FOOD QUIZ CONTEST
&
NATIONAL DAIRY PRODUCTS' JUDGING CONTEST
8-9 OCTOBER 2026

15th National Dairy & Food Quiz Contest

The Dairy & Food Quiz Contest is a flagship event organized annually at Sheth MC College of Dairy Science, Kamdhenu University, Anand, Gujarat. This knowledge-based contest inspires the budding technocrats to be abreast about the latest developments in the field of dairy and food processing. It also provides a distinguished platform for students to showcase the learnings acquired during their academic journey, while also offering industry professionals an opportunity to refresh and enrich their knowledge. Above all, it fosters meaningful interaction and camaraderie between students and members of the dairy industry. In keeping with this tradition, the Alumni Association of Sheth MC College of Dairy Science, Kamdhenu University, Anand is proud to host the 15th 'National Dairy & Food Quiz Contest' on 8th October, 2026 (Thursday).

About the contest

The Quiz Contest will consist of questions drawn from diverse Dairy and Food disciplines, including Technology, Engineering, Chemistry, Microbiology, Dairy/Food Business Management; standards of milk and milk products; FSSAI, ISO, IDF, CODEX; Famous personalities, important events/current affairs, machineries/instruments pertaining to dairying/food industry, dairy/food products, beverages, etc. The contest will be through PPT presentation on screen and pattern will encompass multiple-choice questions, sequencing, visual identification round, buzzer round, rapid-fire session, etc. Top 3 winning teams will be honoured with trophies. Written test will be carried out, if needed, to screen out the teams.

Who can participate?

- Students pursuing their study in Dairy or Food Technology from recognized academic institutes in India.
- Technical staff from dairy and food plants, as well as personnel from research and development organizations across India.

Participation in the Quiz Contest shall be limited to one team comprising two members from any institute or organization. Each participating organization may also nominate one team manager to accompany and guide the team. Certificates of participation will be conferred upon all participants and team managers.

The Contest Schedule

Sr. No.	Particulars	Time
1	Registration, verification of documents & Breakfast	09.00 - 09.30
2	Briefing about the Contest, Rules & regulations, etc.	09.30 - 10.00
3	Preliminary screening	10.00 - 11.00
4	Contest among various teams	11.00 - 13.00
5	Lunch break	13.00 - 14.00
6	Final round of Quiz Contest	14.00 - 17.00

19th National Dairy Products Judging Contest

Sensory evaluation is a scientific discipline that demands adequate training for the routine assessment of milk and milk products. In recent times, significant research and development efforts have been directed toward the creation of innovative products in the dairy and food industry. To be marketable, such products must possess superior sensory qualities. Dairy plants are therefore monitoring the sensory attributes of their products with utmost vigilance. With the objective of providing valuable exposure to dairy product judging and fostering the skills required for precise sensory evaluation among budding technocrats, the Alumni Association of Sheth MC College of Dairy Science, Kamdhenu University, Anand is organizing the 19th National Dairy Products' Judging Contest on 9th October, 2026 (Friday).

Who can participate?

- Students pursuing their study in Dairy or Food Technology from recognized academic institutes in India.
- Technical staff from dairy and food plants, as well as personnel from research and development organizations across India.

Participation in the Judging Contest shall be limited to one team comprising two members from any institute or organization. Each participating organization may also nominate one team manager to accompany and guide the team.

Types of dairy products and system of evaluation

The products selected for the contest are **Milk, Processed cheese and Khoa**. The expert jury will evaluate each sample and identify the defect(s) and its intensity, if any. Subsequently, each individual participant will judge the product and record the name and intensity of any defect in the prescribed standard scorecard. The average score of the participating team will then be compared with the average score awarded by the jury to determine the winners. In each category, namely Institutes and Dairy Plants, 3 winning teams will be honoured with trophies. Additionally, trophies will be presented to the top 3 individual scorers from each category. Certificates of participation will be conferred upon all participants and team managers.

Registration

Registration fee of ₹5000/- per each event has to be paid in advance (₹10,000/- for both the events) through cash or DD/multi-city cheque drawn in favour of '**Alumni Association Sheth MC College of Dairy Science**'. Breakfast, lunch and high tea will be provided to the participants and team managers. Accommodation can be made available on demand basis at hotels in Anand and/or accommodation facilities available at Anand Agricultural University campus on payment basis with prior intimation.

The last date for registration

The last date for registration for each event is **20th September, 2026**. Interested institutions and dairy/food plants are requested to fill up the registration form (Attached herewith) and send it to **Dr. AI Shaikh, Convener, Registration Committee**, (M): **9427382800**, E-mail: **aishaikh@kamdhenuuni.edu.in** along with proof of payment of registration fees.
